- Raffle Bike for Next Year's Show
  - Don and Dan met with Denny from Andy's Harley Davidson. He is willing to help with special pricing. Denny stopped by the meeting and said he had found some information, but he hadn't reviewed it yet. Don and Dan will visit with him again soon to get information on which bikes are available and get price quotes.
    - RRVM cannot own the bike. We need to work something out with Denny to finance the bike creatively.
    - Mike suggested looking into a Heritage or Ultra if possible
    - Denny recommended that we put "Winner responsible for tax and license fees" on the tickets.
  - Once we have chosen a bike, we should begin contacting local fire departments.
    - Tim suggested a couple of RRVM members should visit each fire department to give them the raffle details.
    - It was also suggested that the more tickets a department sells, the larger their donation should be.
    - Don suggested that the bike be taken around to each participating fire department and left on display for a few days to help boost raffle sales.
  - Raffle ticket pricing was discussed. It was suggested that the ticket price stay affordable...\$10-\$20 was recommended.
  
- Stephanie will drop off the \$200 donation to the Salvation Army.
  
- Mike will get in contact with the grant writer he knows to start working on a grant soon.
  
- The Brandon Lunski Memorial Ride will be July 30<sup>th</sup> at noon, leaving from the Broken Drum.
